Annual Letter 2021

Date :.....

Dear Foster Parents,
you will take my sincere love and best wishes. I hope you are well all. I am fine too. Last year we went through a very bad situation. The Covid-19 epidemic was raging in our village. So we were scared. However, no one in my family was affected. We were also good in Covid-19 epidemic. God has kept us well, healthy and alive. So thank and appreciate God. I get money from the hostel every month. This money has helped my family a lot.

you will be happy to know that I passed the SSC exam last year. I am studying in college now. From our hostel I go to college. I and my girlfriend Upama go to the same college. Our college is near to our hostel. So we go on foot. I got a new girlfriend in college. We enjoy college classes.

Christmas is coming. I will go home for Christmas. There will be a lot of joy in Christmas. You will take a lot of my love and greetings for Christmas. You will take my love in the New Year. I am ending my letter wishing you a Merry Christmas and a Happy New Year. Thank you so much for everything.

Your Loving daughter
